Named for the city of her birth, Florence Nightingale and 38 other nurses brought care and comfort to the British wounded during the Crimean war from 1854-1856. Now considered the founder of modern nursing, she averaged only four hours of sleep each night. The image of Florence as “The Lady with The Lamp” is based on her late nights on the front:

“When all the medical officers have retired for the night, and silence and darkness have settled down upon these miles of prostrate sick, she may be observed alone, with a little lamp in her hand, making her solitary rounds.”

The logos shown above are examples of the type of black and white artwork which will reproduce well on your heirloom lamp.

In fact, a digital file of your logo in the .jpg or .tif format will work the best. Your program’s administrator or secretary may have one which could be emailed to us at:

Western States: crwilliams@herffjones.com

Or call us at 1-800-224-1657 to find out if your school’s logo is already on file. Regardless of how you provide your logo artwork, a sharp original will reproduce the best.
